

DANCE ETIQUETTE TIPS

We're happy you're here!

1. *“Find a partner for a contra dance”*

- Ask different people to dance.
- Ask people sitting out to dance.
- You don't have to wait to be asked.
- Feel free to dance with people of all ages and genders.
- You don't have to dance with anyone you don't want to.
- It's OK to say no.

2. *“Welcome to our community – have fun!”*

- Dance so that others feel comfortable.
- Welcome and encourage newer dancers.
- Eye contact – if it's too intense, look at the nose or ear.
- Give your full attention when the caller is teaching.
- Please do not wear strong scented products.
- Keep smilin'!

We are eager to keep our events friendly and pleasant for all!

If a dancer is behaving inappropriately, please speak to Shawn (at the door), any Rehoboth Country Dance Society Board Member, or the caller.
